

HOW TO SET A S.M.A.R.T. SINGING GOAL

Achieve the success you're after

S

Specific

Make your goal clear, direct, detailed, meaningful and specific.

M

Measurable

Use a metric that makes your goal quantifiable in order to track your progress. Define the evidence that will prove you're succeeding.

A

Attainable

Make sure the steps and actions needed to achieve your goal can reasonably be taken within your timeframe and that you have the tools and resources to make it happen.

R

Relevant

Make the goal consistent with your values and in alignment with your long term vision and greater mission.

T

Time-based

Set a realistic and ambitious deadline that motivates you to act with urgency.
